

The Ted Moore Trophy

Ted Moore is one of the founding members of the club over 50 years ago. He joined when it started as a social club within the Bell & Howell photographic equipment company. Ted was the club president for many years and greatly skilled in monochrome work.

Many of the current members have benefitted from his expertise and objectiveness. Ted's belief is that we as photographers should not limit ourselves to just one narrow field within photography but that we should strive to do well over a wide range of subjects. He decided to award an annual prize for the best set of three images from different subject areas. The competition has been running for well over 20 years and is a great leveller!

Unfortunately Ted is in a nursing home nowadays as an old injury has caught up with him and he has not been able to attend meetings for some time but the competition continues.
